

## COLLECTION OPTIONS FOR CLINICAL FLEXIBILITY

### ULTRA DUO

The Ultra Duo is the ideal solution for today's OR fluid waste disposal challenges. Designed from the start to be left in the OR suite all day long, the Ultra Duo provides a sealed, cleaned and disinfected fluid reservoir for each patient. The Duo's 33-liter capacity and on-board regulated vacuum pump means fluid collection has never been more convenient.

- **Ultra Safe** - Meets AORN, OSHA, EPA, and Department of Transportation guidelines governing the safe collection, transport and disposal of fluid medical waste.
- **Ultra Economical** - Inexpensive lids replace multiple disposable canisters or expensive manifolds.
- **Ultra Convenient** - Simplifies fluid collection for all types of surgical cases and optimizes shaver performance using an integrated vacuum pump.
- **Ultra Green** - Eliminates up to 70 percent of infectious waste generated in the operating room.
